

Four Hills Neighbors Activity Groups

We have many interesting and flexible activity groups. Some groups do not have set dates, locations and/or times; some groups meet all year; and some groups postpone meetings during the summer. In the event that a group does not have a Chairperson for the current year, activities in that group are suspended until a Chairperson is identified. The following information may occasionally be changed according to events and group preferences.

Names and phone numbers for Chairpersons are listed in the online Membership Directory, or you may call the 2nd VP/Activities.
